

5 Paths of Awakening

Friday Night Talk with Marv Treiger

Auburn, CA

March 16, 2012

Each Path is complete in itself and can take you the whole way. Yet the extremes of each will generate greater suffering.

The "Path of No Path" cultivates a balanced unfolding of Wisdom, Compassion, Ecstasy and Power. Then things get really interesting....

Marv Treiger, PhD, MFT, has led meditation retreats since 1995. He is a dynamic presenter, a destroyer of fixations and an empathic listener with a keen sense of humor.

Friday, Mar 16th 7-9pm

Suggested Donation \$10- 20

Dana is also offered separately to the teacher in consideration of these priceless teachings. No one is turned away from lack of funds.
